ONTARIO POWER GENERATION SUPPORTS ECO FRIENDS SUMMER DAY CAMP PROGRAMS

[**Cornwall**] Ontario Power Generation has made a \$750 contribution to Eco Friends Summer Day Camp programs held each summer at Cooper March on the St. Lawrence River. This program is sponsored and staffed by the St. Lawrence River Institute of Environmental Sciences.

Ontario Power Generation works to improve the quality of life in its neighbouring communities. Through its Corporate Citizenship Program, OPG enters into partnerships with many associations such as the Eco Friends Summer Day Camp program to help encourage children's environmental education in host communities. OPG's "Stay Clear, Stay Safe" water safety materials are used as part of the program.

Ontario Power Generation is an Ontario based company, whose principal business is the generation and sale of electricity in Ontario. Our focus is on the efficient production and sale of electricity from our competitive generation assets, while operating in a safe, open and environmentally responsible manner.
